Dear Parent/Carer

RE: REMOTE LEARNING FOR YEARS 7 TO 10

During the time that the academy is closed, all students are expected to complete their learning from home.

What will teachers provide?
All teachers will upload a task and a quiz for every timetabled lesson to Show My Homework. The work uploaded may be:

- A lesson powerpoint to read with activities to complete
- A documentary to watch and answer questions on
- A workbook to complete
- A GCSE pod for them to watch with questions
- Quizzes to recap previous topics

What does my child need to do?
Included with this letter is a copy of your child's timetable. They should stick to the timings of the school day and work on the lessons that they would have had that day.

Some of the work that your child has been set will need to be completed on Show My Homework and some of it on paper, ready to hand in when they return to school. Your child will have been given an additional red exercise book to use to complete work during the school closure period.

Please ensure that your child completes:

- **all paper based work** in their red exercise book each day according to the lessons that they would have attended on their timetable
- **all Show My Homework Quizzes** set by teachers on the app or the website

Teachers will call parents of any students who do not complete their Show My Homework Quizzes. In addition to the timetabled lessons, students should complete 30 minutes reading during the time they would have had Learning Coaching each morning. There will also be additional reading videos to watch during this time uploaded to Show My Homework.

How will my child be supported to complete their work?
Teachers can be contacted through the Show My Homework app or website if your child has any questions about the work and how to complete it.

How do we access Show My Homework?
All students have access to Show My Homework and parents can also access this to see the work that their child has been set.

Please find included with this letter your PIN and instructions for how to login, if you have not used Show My Homework before. If you have used Show My Homework before but have forgotten your password, please click on the forgotten password button on the website and enter the email you signed up with and a reset password link will be sent to this email.
