

Oasis Academy Silvertown Uniform

We have high expectations of students at Oasis Academy in all areas of academy life including appearance. A smart school uniform ensures that our students look professional, builds a feeling of belonging and encourages children to take pride in themselves and their school. Correctly worn, smart uniform also supports positive behaviour and discipline, encourages identity with and support for the academy ethos and ensures that students of all races, genders and social and economic backgrounds feel welcome and included.

Students at the academy are expected to wear correct uniform at all times, including when entering and exiting the academy. When uniform is worn inappropriately or incorrect pieces of uniform are worn, appropriate sanctions will be put in place. Any student wearing an item that is not permitted in school will be asked to hand it to staff and where appropriate will be asked to change in to correct uniform.
