

It was great to see our students back for the first week of term after the holidays. Our Year 11s are counting the days until their exams start; we’re so proud of their focus and hard work as they prepare.

We were delighted to welcome our Year 6 students to our Friendship Event on Thursday. We are full with a waiting list for September so it was a very busy hall! It was really exciting to meet all of our prospective students and for them to have a chance to start getting to know one another.

Our Girls Robotics Team have been working hard to prepare for the final in their competition this week. It is looking likely to be an exciting event where their months of hard work should prepare them well to compete against other high performing London students.

The first meeting of our parent forum took place last week. Thank you to those who attended and who contributed with their thoughts and suggestions. We are looking forward to continuing to work closely together.

Thanks as always for your support.

**Emily Boxer, Principal**

### Upcoming dates for your diary:

- **27<sup>th</sup> and 28<sup>th</sup> Apr** – Year 11 Art Exam
- **29<sup>th</sup> Apr** – UKMT Junior Maths Challenge – Yr 7+8

- **22<sup>nd</sup> Apr** – Year 10 Parents evening (3:30 - 5:30pm)
- **24<sup>th</sup> Apr** – Community Language speaking exams

### Meet our Student Leaders:

**Jayla Tolentino**

**Student leader – Year 7**

Hello! I'm Jayla and I'm one of the year 7 student leaders. I chose to become a student leader because in my old school I personally didn't do any leading roles and I wanted to change that and try something new!

I also wanted to help to improve the school for the better by making sure everyone has a voice in this community. I really enjoy being a student leader because I know I'm helping out a lot by attending meetings, writing speeches and doing my duties which has improved my leadership skills and built my confidence a lot!

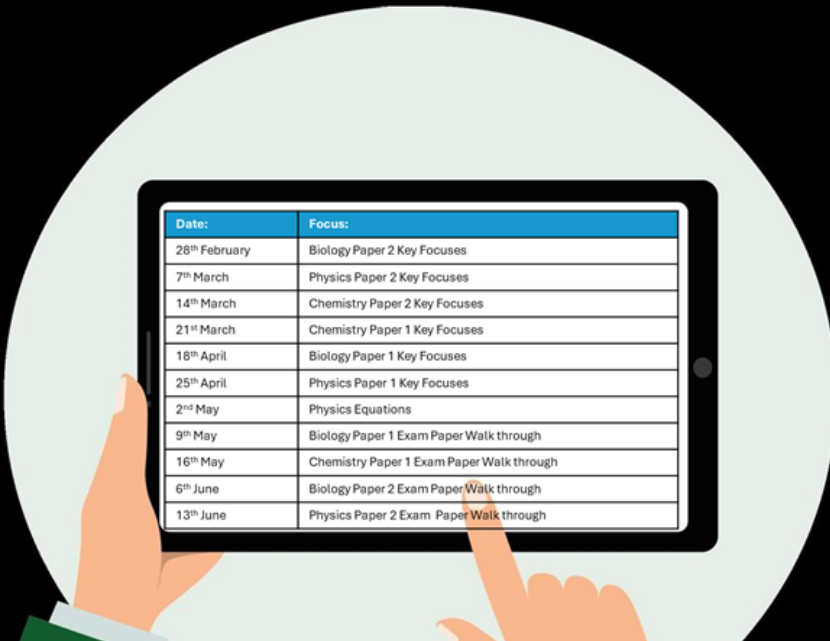

### Reminders/Useful Links:

- Please complete the parental consent form on MCAS. Instructions [here](#).

- Session will include teaching, modelling of exam questions, time for practice, and lots of chances to ask for help!
- Log on for the whole time and bring work to show your science teacher on Monday to receive exciting rewards!

# Training for Parents/Carers

## Getting Ready for Secondary School

### About this Course:

Moving from primary to secondary school is a time of change. Children with communication needs may need some extra preparation to help manage this change.

We will cover the differences between primary and secondary school, challenges and opportunities for your child and strategies to help manage this change, as well as some top tips for practical things you can do at home.

There will be opportunities to ask questions about topics covered with the Speech and Language Therapists/SEN Practitioners delivering the course.

- For parents/carers of children in Year 6 with speech, language, communication needs including Autism or Developmental Language Disorder (DLD).
- Parents/carers must be Newham residents or child must attend a Newham school.
- Child must be starting Year 7 at a mainstream secondary school in September 2026.

## Training for Parents/Carers Intensive Interaction

### About this Course:

Intensive Interaction is an approach that involves following your child's lead and facilitating motivating interactions in order to develop the early fundamental skills of communication including joint attention, turn-taking, increased vocalisations and enjoyment of interacting with another person.

We will cover what 'Intensive Interaction' is, how it can help your child and how you can use the key strategies at home.

There will be opportunities to ask questions about topics covered with the Speech and Language Therapists/Specialist Teachers/Practitioners delivering the course.

- For parents/carers of children with social communication needs or a diagnosis of Autism in Reception to Year 11.
- Parents/carers must be Newham residents or child must attend a Newham school.

**Venue: Tunmarsh Centre, Tunmarsh Lane, E13 9NB**

\*Parking not available

## Primary Parent Virtual 'Drop In'

On the last Wednesday of each half term.

### About these sessions:

LCIS SEN Practitioners are available to meet with parents to problem solve possible difficulties at home.

Possible points for discussion may be:

- Transitions into school or trips into the community.
- Emotional regulation strategies for home.
- Social communication 'top tips'.
- Preparing for changes.

'Drop in' appointments are available on a 'first come, first serve' basis and are limited to 30 minutes.

**Who?** Parents and carers of primary school children.

**When?** The last Wednesday of each half term, 9.00 – 12.00.

**Where?** These are online meetings, you will be sent a link upon booking.

**Please note:** Practitioners will **not** be able to give advice about placement or EHCP applications. You will need to contact your SEN Case Officer to discuss this.

To book an appointment  
please click: [LCIS Parent 'Drop  
Ins'](#)
