

As we prepare for our final week of this half term, we have so much to celebrate and to be proud of. Last week our Year 10 Geographers completed their first field work project in the local community and returned to the academy focused and inspired to work hard in preparation for their next visit. Our Year 10 football team have their first fixture booked in and we look forward to hearing about the result. Student work in lessons continues to impress – with great examples shared in assembly this week from Year 7 maths lessons as well as high quality extended writing in Year 10 History.

Year 11 mock exams are looming. We are proud of all our students revising so hard for these in lessons as well as at home. Students will receive their exam timetables this week to support them as they continue to prepare.

Tomorrow, we hold our Year 7 Concert and classwork exhibition. We do hope that Year 7 Parents will be there to celebrate all that our students have achieved this term.

For the remainder of the week, we will continue with our focus on excellent teaching and learning in every lesson, for every student, every day. It’s so important to us that we keep the main thing the main thing right the way up to half term.

I hope you have a peaceful weekend and half term with family and friends when it comes.

Emily Boxer, Principal

- **All week:** Preparations for coaching ambassador applications
- **22 October 10:30am:** Y7 Concert and Classwork exhibition

Meet the Staff:

Ms Zerrouki

Teacher of Modern Foreign Languages

Hello, my name is Miss Chahrazad Zerrouki, and I’m proud to be a French teacher at Oasis Academy Silvertown.

I chose to work at Oasis Academy Silvertown because I believe in its mission to provide every student with an excellent education in a supportive and nurturing environment. The sense of community here is truly special, and I am passionate about helping each student reach their full potential, learning a new language in a positive environment.

I love hiking in my free time. Exploring new trails and spending time in nature is my way of recharging and staying active.

I look forward to getting to know you and your children this year!
