

Last week we had an incredible run of sporting victories, winning the Newham Kurling Tournament, our Year 8 boys football team beating Stratford 4-2 in their latest football match, our new girls’ football team beating Brampton 5-1 and Year 9 girls netball beating Eastlea 10-9! We are also delighted to announce that multiple students’ work has been selected to be published in ‘Stranger Sagas’, a creative writing competition.

In our final week of this half term, we are looking forward to our Expressive Arts Experience Day where Year 7 and 8 students will be working with practitioners from [the Globe Theatre](#) and the [Royal Academy of Dance](#) as well as other professional poets, singers and performers. Some students will visit East London’s Art Trail ‘[The Line](#)’ and will have the opportunity to make their own art.

Meanwhile, Year 9 will be exploring their aspirations for their careers in the future in specialised sessions designed to inspire and get them thinking.

Year 10 and 11 will be hard at work in lessons, with Year 11 preparing for their intervention sessions next week and their mock exams beginning right after. Hope you have a lovely half term when it comes.

Emily Boxer, Principal

Upcoming dates for your diary:

- **16th – 20th Feb** – Half Term Holiday and Year 11 Intervention

Meet the Staff:

Juliet Atuahene

Amaniampong

Food Technology Teacher

My name is Juliet Atuahene Amaniampong and I am a Food Technology Teacher.

I chose to work at Oasis Academy Silvertown because it is close to my home and has a strong sense of community. The school has a welcoming and supportive environment where staff work well together and genuinely care for one another. I enjoy working with such enthusiastic and respectful students, whom I relate to as if they were my own.

I also appreciate the school’s commitment to nurturing both academic success and personal development. Being part of a team that supports, inspires, and encourages young people to grow in confidence and skills is very rewarding. The positive atmosphere, shared values, and sense of purpose within the school community motivate me every day.

I love reading and singing, and I am passionate about encouraging others in a positive way. I enjoy building strong relationships and supporting students to believe in themselves and achieve their best.
