

It's been lovely to be back this week after a very hot half term. I hope you had a peaceful break.

In the last week of term, our Year 7 boys football team were delighted with their 4-3 win vs Rokeby. A great way for them to finish their season!

We also had a strong week of exams for year 11 and were very proud to see the hard work and preparation from our Year 7-9 students as they get themselves ready for their assessments. This week I have been impressed by the flash cards, cover, write, check, correct notes and mind maps prepared by students.

Our Year 10 end of year assessments also start soon and so there is much to do to prepare. You can support your child with this by helping them make a revision plan, making sure they stick to it and quizzing them by asking questions from their notes or using flashcards.

With so much careful preparation I know our students will be able to walk in to their assessments with great confidence and very much look forward to seeing the results.

Emily Boxer, Principal

- **5th Jun** – English GCSE Exam, Music GCSE Exam
- **5th Jun** – Year 9 Sport BTEC Rowing trip

Meet our student leaders:

Talitha

Student Leader – Year 8

Hello, my name is Talitha and I'm in 8 Cavell. I chose this role because to be a student leader you need to be mature, confident, professional, and capable, and I believe that those traits describe me well. As someone who respects teachers, does their homework on time and is very helpful I thought this position was calling me. I have many witnesses that I am very kind and helpful - I hand out glue sticks or hand out the work sheets - and I am never rude to any students.

I also strongly agree with all Oasis Academy Silvertown's rules. I am dearly grateful for this role, and I am so happy that I was nominated. This job comes with challenges, and I am up for anything that comes with it, because at school we learn “Ready for university, ready to lead”. Thank you.

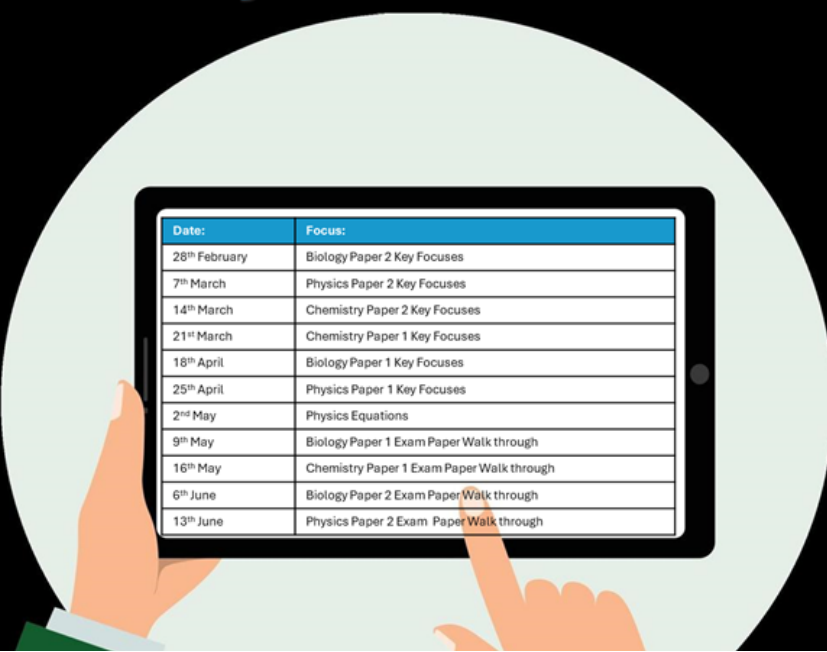

Reminders/Useful Links:
