Dear Parent/Carer

RE: YEAR 11 PARENTS EVENING; THURSDAY 16 SEPTEMBER 4PM – 6PM

Welcome back to the start of what is going to be an incredibly busy and exciting year for our Year 11 students. We have been so impressed by the work students completed during the summer term as well as the work completed during Summer School. This will ensure an excellent starting point for pupils to achieve their full potential this year.

We have our first Year 11 parents evening taking place on Thursday 16 September 2021, 4pm – 6pm. Attendance is compulsory and you should come with your son/daughter in full school uniform. This is an excellent opportunity for you to speak to the teachers of your son/daughter, discuss their progress and identify areas to work on to enable them to make the most progress over the year.

School will end at the normal time of 3.15pm on this day. Students have been given an appointment sheet so that they can make time to see every one of their teachers.

Upcoming dates

w/c 13 September: Core subject morning intervention

Pupils will be receiving targeted intervention for core subjects during learning coaching time. They will attend two sessions a week in either Maths, English or Science, which will be rotated every half-term.

w/c 27 September: Non-core Covid-catch-up period 6

Non-core subjects will be providing targeted intervention to students during period 6. Students will be invited to these sessions and attendance will be compulsory.

Tuesday 12 October: Elevate session: Study Sensei (3pm – 4.15pm)

We are really excited to be having Elevate back in to support Year 11s with their study skills. This is will be the first of three sessions focussing on structuring and reviewing organised notes. Feedback from previous Year 11s has been incredibly positive and we know students gain a great deal from attending these sessions.

Thursday 14 October: Post 16 Options Evening (4.30pm - 6pm)

Local colleges, apprenticeships and other post 16 organisations will be coming into our academy to provide you with support and information on courses, applications, grade requirements and much more to ensure you are best advised to make decisions for life after Oasis Academy Silvertown.

Further details about these events will follow later this term.

If you have any concerns or queries, please do not hesitate to contact me either by telephone or via e-mail at Mundeep.Gill@oasisilvertown.org.

Yours faithfully
