

30 January 2019

Dear Parent/Carer

As you are aware your child will be sitting their GCSEs in the coming months. Their science GCSEs are part of these extremely important set of qualifications and Oasis Academy Silvertown want to provide every opportunity for your child's success.

On Saturday 09 February 2019, the Science Department will be running a chemistry intervention day from 10am-2pm. Essential content for the GCSE chemistry examination will be covered. Pupils are expected to arrive at the academy on time and are not required to wear school uniform. All pupils must sign in and out of the academy at the main reception. Light refreshments will be provided but pupils should bring a packed lunch to eat.

It is essential that your son/daughter attend these additional sessions in order to be fully prepared for their upcoming GCSE examinations.

If you have any questions or queries please do not hesitate to contact myself at school.

Yours sincerely

Mr R Barlow
Head of Learning Area - Science

Please return to Mr Barlow by Thursday 07 February 2019

I give permission for my child to attend the Chemistry class on Saturday 09 February 2019 at 10am-2pm

Please tick which of the below statements apply:

- I give permission for my child to make their own way home from the academy.
