Dear Parent/Carer

RE: STUDENTS PHOTOS

The school photographer, Tempest Photography, will be coming to school on **Tuesday 10 January 2023** to take photographs of Year 7 students and students who we do not yet have a photo for.

Please ensure that your child attends school in their full correct uniform, so they look smart and professional in the photograph.

These photographs will only be used for the Academy to identify students on our management information system (Bromcom) and not for any other purposes.

Photographs will then be available to order online directly through Tempest.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Sandy Aurokium
Operations Manager
